## WEB DEVELOPER

### About Me and My Goals

I am a 26 year old from Petoskey, Michigan looking to work with a great team of people in Web Development. I am graduating from Full Sail University on April 1, 2011 and will be ready to work shortly after!

I look forward to continuing my learning through my job and with my colleagues to keep up with changing technology trends. Becoming a project manager or project architect is the long term goal I would like to work towards.

### Education

**2009-2011 FULL SAIL UNIVERSITY**  
Bachelors of Web Development and Design

**2005-2008 FERRIS STATE UNIVERSITY**  
Associates of Graphic Design

**2002-2004 GRAND VALLEY STATE UNIVERSITY**  
Engineering

**2002 PETOSKEY HIGH SCHOOL**

### Experience

**INTENTIONAL HEALTH PRODUCTS, LLC WEBSITE**  
Blog and commerce
